

School Results July 2017

SATs tests are a national framework to measure the attainment and progress of individual children in key academic subjects. The results provide the basis of the school league tables which are used as the annual measure of how a school is performing in comparison to other schools.

Tests are taken at the end of Key Stage 1 (Year 2) and the end of Key Stage 2 (Year 6). The national expected level of attainment is for children to be "working at the expected standard" at the end of Key Stage 1 and Key Stage 2.

Early Years Foundation Stage

Niton Primary 2017	84%
National Average 2016	69%

Year 1 Phonic Screen

Niton Primary 2017	97%
National Average 2016	80%

Key Stage 1 (Year 2) Outcomes 2017

	Working towards the expected standard	Working at or above the expected standard	Working at greater depth within the expected standard
Reading
